

Installation Reference List

US & Canada — Restaurants & Hotels

173 restaurant sites

247 AirMaid® units installed

29 hotel sites

60 AirMaid® units installed

This is a selection, not the complete installation base. AirMaid® has more than 19,500 units installed across 30 countries worldwide, including about 1,500 shipped to the US and Canada; this list covers only US and Canadian restaurant and hotel sites. It excludes offices, hospitals, schools, other commercial kitchens, and all installations outside the US and Canada.

Proven Globally. Supported Locally.

19,500+ installations worldwide

1,500+ units shipped across North America

500+ McDonald's restaurants

30 countries

25+ years of experience

20+ sales representatives across North America

Restaurant References

McDonald's · KFC · Burger King · Popeyes

AirMaid® has been installed in 500+ McDonald's restaurants worldwide, with the first U.S. McDonald's installations completed in Goodyear, Arizona — included in this reference list.

Major U.S. Airport References

LaGuardia (LGA) · Newark Liberty (EWR) · Boston Logan (BOS) · JFK · San Francisco (SFO)

Minimal Maintenance. Maximum Uptime.

- 1–2× service per year
- Under 10 minutes per unit
- No kitchen downtime
- No consumables
- 5+ year CGC cell life when properly maintained
